

# St Godric's Newsletter – March 2021

## Welcome back!

Welcome back everyone. Thank you to all of you who have been supporting us in our set protocols and making sure that the children are as prepared as possible for the full return to school.

Please continue to support 2m social distancing. This is key to reducing the spread of Covid.

Attendance has been very good this week and has helped all pupils to settle back into routines.

## Mental Health and Wellbeing

Mental health and wellbeing remains a priority for our pupils, so teachers are maintaining check-ins and wellbeing activities on a daily basis.

We are encouraging all of our children to connect with staff on site if they are upset or have any worries. **Please can you encourage your children to talk to staff in school**, so that we can deal with any problems promptly and help to grow happy children.

## Change of services in school

### School counsellor

During the Lockdown period, Lisa Turner, our school counsellor has moved onto a new job. She has worked with a number of our pupils over many years and we would like to wish her all the best for the future, and thank her for the support that she has given to many of our children.

### MHST – The Mental Health Support Team

We are embarking on work with the Mental Health Support Team. This work is funded by the NHS and we will be supported for ½ day per week by a Mental Health Practitioner. We will keep you updated, as we learn more.

We now have a pupil in school with a nut allergy. Please do not send any food into school with nuts in it. Thank you for your support.

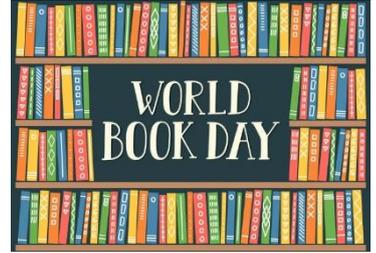

**PLEASE REMEMBER  
WE ARE A NUT  
FREE SCHOOL**

**A big thank you to the staff** who took the time to exchange the WBD vouchers and select a book for each of our children.

We will be celebrating World Book Day in the Summer term, once restrictions allow us to **fully** embrace the opportunity to celebrate books.

Please note the dates for our Easter Holidays.

We **are** in school for Holy Week.

### School Holidays 2021 2022

As we all start to look forward, beyond the restrictions of the Pandemic, we will be starting to book holidays. The holidays can now be found on the school website.

Please note, attendance in school will remain as always, a priority. Can I ask you to book any holidays out of term time in order to support school in providing the very best education for your children.

Thank you Mrs Hill
